

# ROAD TRAFFIC AND COMMUTING SAFETY POLICY

We, PROLINTAS Group of Companies, as a Highway Concessionaire promote good road traffic and commuting safety practices in recognition of applicable legal and other requirements to which we subscribe and satisfy expectations from interested parties.

PROLINTAS is committed to reducing and ultimately eliminating the risk of casualties related to road traffic incidences that it can influence, and within bounds that are reasonably practicable.

This commitment means that we will:

This policy shall form the framework for establish objectives and targets by all functions and levels in the organisation. It shall be communicated to all interested parties and periodically reviewed to ensure continuing suitability and effectiveness.
